## DR. INGHAM DINES SANBORN VICTORS

On the evening of November 18, Dr. Ingham gave those who played against Sanborn a dinner at the golf club. The dinner was informal; so that speeches were only in order by Dr. Ingham, Captain Sawyer and Coach Smith. Dr. Ingham congratulated Mr. Smith on his success with the team which started off slowly and rose steadily, so that every game was an improvement on the one before, and finished the season in a blaze of glory. He also mentioned the fact that the season was a greater success because the talent which naturally came to school was developed and educated the more because of the experiences in football.

Captain Sawyer was called upon after a regular cheer and thanked Dr. Ingham in behalf of the team for the dinner. After thanking the team for their coordination and wishing them the best of luck for next year, he gave way to Coach Smith.

Mr. Smith told of the pleasures in coaching, and told the team that he was most pleased to return a little of what he took from the school for it was here that he first learned football. With this the party broke up after a most satisfactory pleasant meal.

### DANCE TOPS FOOTBALL SEASON

The Football Dance held in the Lang Gym on November 20 turned out to be a great success, and "a good time was enjoyed by all." The committeemen, Bill Hart and Jack Calderwood, outdid themselves in preparing for the occasion, and the gym was tastefully decorated with banners and pennants. Chase, the caterer, furnished ample and choice refreshments to serve at intermission. The orchestra was one of the features of the evening. It is a new group, and this was their first job. They are called "The University Five" and are made up of the "Crimson Ramblers" and the "Gold Coast Orchestra" thus gathering a select group of melody-makers. About fifty couples including alumni and parents attended. The patronesses were Mrs. Ingham, Mrs. Farrell, Mrs. Morse, and Mrs. Kimball. The committee wish to thank all those who helped to make the dance a success.

P. A-ni recognizes some of his father's best in the so-called "buffalo meat."

: : : :

H-n (at orchestra practice): I can play this thing sometimes.

C-d: No time like the present.

## . . FOOTBALL . .

### DUMMER WINS FINALE FROM SANBORN

The Dummer football team closed its season in a most satisfactory manner by winning the objective tilt of the year from Sanborn Seminary, 19 to 14, on November 17. The teams were about equal in regard to past performances and size, with Dummer having the edge in both, and they were picked to win. The Dummer team playing on the home field functioned as it never did before especially in the second half. The whole team shone and there were many outstanding players. Hart for his passing, kicking, and field generalship and Wally Temple for his broken field runs stood out. Swallow was the Sanborn luminary. The game was clean and hard-fought throughout with the lead changing frequently.

Dummer kicked off to Sanborn and held, forcing them to punt. On the second down Sawyer broke loose from his own forty yard line and ran thirty-five yards before the safety man nailed him. Dummer could not gain although they received the benefit of an offside penalty, and Hart standing on the twenty-seven yard line placed a drop-kick squarely between the up-rights for the first blood of the game. Dummer kicked off again and Sanborn made a first down bringing the ball to the fifty yard line. From here Barber tore off forty yards bringing the ball to Dummer's ten. From here Bonner plunged over on the fourth down for their first score. Goldwaithe's drop for the extra point was successful. Sanborn kicked off to Wally Temple who sprinted sixty yards through a broken field in one of the prettiest runs of the year. This put the ball on the twenty yard line and Sawyer broke through for a first down inside the ten yard line. Webb took the ball over on the third down. Hart's try for point was successful. Sanborn received the kickoff and from the thirty-five yard line made two successive first downs before the period ended. To this they added another giving them a first down on the twelve yard line. Here Lovett was replaced by Lane. In six downs they put it over to take the lead for a second time. Goldwaithe was again successful in his drop-kick for the extra point. Sanborn kicked off to Bert Temple who ran it back twenty yards to the forty yard stripe. The ball never got inside the thirty yard lines during the rest of the half each side being forced to punt whenever they got hold of the ball. Many forwards were attempted but none completed.

The half ended with Dummer trailing 14 to 10.

Dummer, receiving in the second half, ran back the kickoff twenty yards and opened up with a forward pass, Hart to Bottger, that gained twenty more. Wally Temple tore off fifteen around the end. From here, however, Dummer was unable to gain and gave up the ball. Sanborn was forced to punt after one first down, and it was a fizzle carrying only to the fifty yard line. On the third down Sawyer ripped off fifteen, putting the ball on the twenty-eight yard line, and Wally Temple, on a beautiful end run, scored on the next play. Dummer again kicked to Sanborn, and on the third down Calderwood intercepted a forward pass on the thirty-five yard line. Wally Temple reeled off runs of eight and twelve yards, but the red and white was finally held on the fifteen yard line, and Hart scored his second three-pointer of the game.

Sanborn brought back the next kickoff to their thirty-five yard line and in three rushes took the ball to Dummer's forty. At this point the period intervened, and Lane again replaced Lovett. In the last period Dummer kept the ball in Sanborn territory all the time but was unable to score. A great many forwards were tried and a fair majority completed. At the end of the period Dummer started a march from her own forty that seemed destined to end in a score. Passes from Hart to Bottger, Temple, and Poor each netted fifteen yards and Wally made one ten yard dash. Dummer had a first down on the ten yard line when the game closed. The whole team had performed brilliantly with Bottger, Calderwood and Bert Temple starring in the line; and the whole backfield doing wonders. Wally Temple played his usual game on the offense and has turned out to be one of the best backs Dummer ever produced. He is very slight in build but goes about his business with grim determination and always succeeds in his assignment. He is very fast, shifty as they come, and spins away from the best of tacklers. Dummer is fortunate to have his services both this year and next.

### DUMMER HANDS LAWRENCE ACADEMY FIRST DEFEAT

On November 6 the Dummer football team put forth more proof that it is rapidly rounding into a first class team by defeating the unbeaten Lawrence Academy team 7 to 0 on the home field. Numbered among the teams that Lawrence has defeated this season are two teams which defeated Dummer in early season games. Wally Temple was back in the lineup after a two weeks layoff due to injuries, and he greatly enhanced the red and white's offensive power. His long runs and sensational catches made him the outstanding player of the day.

Dummer kicked off to McKormick on the ten yard line, and he ran it back twenty yards. Two line bucks netted them seven yards, and an offside penalty game them a first down. Two line bucks failed and after an incomplete pass Alenti punted to Hart on his own twenty. On the first play Wally Temple broke off right tackle for thirty-five yards. The next play lost five yards, and then a forward, Hart to Temple gained ten. Hart's attempt to punt offside near the goal line failed, and Lawrence took the ball on their own twenty. A long forward gained them twenty-five yards. After one incomplete pass Alenti broke loose for twenty yards. Lawrence had three successive five yard penalties inflicted on them due to the ends persistent failure to come up to the line of scrimmage. On the next play Temple intercepted a forward pass on his own forty-five yard line. Temple and Sawyer made seven and Webb shot around the end for twenty-five. A fifteen yard penalty for illegal use of hands brought Dummer back to the thirty yard line. Gains by Temple and Sawyer made a first down. Hart made seventeen yards taking the ball to a first down on the three yard line. The first play failed to gain, and on the

With the coming of winter, the Dramatic Club begins its activities. Two plays will probably be given in the first part of next month. These plays will not, by any means, be the best work of the Dramatic Club. Those who witnessed its performances last year have seen what this organization is capable of doing. The first plays to be given are simply for the purpose of arousing interest in the school. Those of the student body who took part last year have been called upon to take part this time and the production should run off smoothly. The Dramatic Club is fortunate in having a faculty advisor and coach who takes a sincere interest in putting these plays over. But without the co-operation and backing up of the entire student body, he will be helpless. You must support him; do willingly the job he may give you. If you do not get a chance to act, you can attend the plays and give the Club the backing up it needs. The Club can do much in itself, but it costs money to put on plays, and the audience is the thing that finances the production. With increasing finances the Club will function so much the better, and better plays can be produced. With everyone out and in back of the first set of plays, a most successful season should be a certainty.

## News of Interest

The football squad rode to Milton for the football game in real style. Jim Sleeper hired a thirty passenger Pierce Arrow bus, which he is contemplating buying, for the trip. The idea of the purchase made a great hit with the team, and they hope to see the bus in his possession before long.

On November 3, Mr. Bottger, father of the left-end and old Princeton and professional star, came down to help Coach Smith drive the team for the Lawrence Academy game. He brought several new plays and ideas with him, and the squad went through a long and beneficial practise under his direction. All are anxious to tender him their thanks.

Dr. Knudsen gave his third lecture on the schoolboys of the world in the gymnasium on the evening of November 5. His particular subject was the comparison of the European boys with those of the United States.

The key men of the Dramatic Club attended the opening performance of "The Whole Towns Talking" on the evening of November 8 at the City Hall in Newburyport. The show was put on by the Newburyport Council of the Knights of Columbus and directed by Mr. Lehman. Mr. Reagan had one of the leading parts.

Dick Wagner's broken leg is mending rapidly. Another two weeks should see him back with us again.

The Sunday evening chapel exercises have been augmented by a soloist, Mr. McBride, and a violinist with Mr. Porell at the piano. The time of this service has been changed from seven to eight-fifteen.

We are sorry to see the Juniors defeated in their last game with the Newburyport grammar school champions after so successful a season. Even so, however, they have done remarkably well with teams far heavier than they, and the defeat had to come eventually as every game their opponents grew heavier and heavier. They have a fine set of players, and it all augurs well for varsity teams in a few years.

We extend to Bill Page our most sincere sympathies for him after his recent bereavement.

The two school rooms in the annex have been recently supplied with new desks.

It is interesting and encouraging to note that the Dummer team held Milton Academy to its third lowest score of its seven game schedule. Milton, by the way, completed its second undefeated season and won the title of Bay State champions. Only by Groton School and Noble & Greenough were they held to less scores than by Dum-

mer, and the list on which they piled up more is very imposing and includes many strong teams.

Pablo Ortega has been successfully operated on for his tonsils and is now mostly recovered.

Due principally to the introduction of dramatics, there is considerable talk of dropping track from the winter sport curriculum. Three sports and dramatics take up more time than the average student can afford and also lessen the efficiency of each team. If cancellations can be comfortably arranged this sport will doubtless be dropped and if not it will only be carried on with very slight attention and a short schedule.

Owing to the size of the classes in mathematics it has been found necessary to divide them so that more individual attention may be given to each student. The new classes will be under the direction of Mr. Harold A. Gleason of Pittsfield. Mr. Gleason is a graduate of Massachusetts Agricultural College, class of 1925. Since graduating Mr. Gleason has been travelling extensively.

Dr. Knudsen gave his last lecture on communicating with the boys of the world on November 19.

The first series of plays will be presented in the gym on December 11. "J. Caesar" and "The Flash" are the selected plays. Dancing will follow the performance.

(Continued from Page 1)

next Dummer received an offside penalty. The next made six yards and the third failed. At this point Page went in for Hart. The last attempt was smeared and Lawrence took possession of the ball on their five yard line. Losing two yards in three attempts they punted to Temple on the fifty yard line and he ran it back twenty yards. Here Dummer failed to make the necessary distance and relinquished the ball on downs. The ball stayed in the midfield for the remainder of the half with one exchange of punts. So far Dummer had shown a strong edge but failed to put the ball over with opportunity knocking very clearly.

Dummer came back after the half determined to run up a score. Lawrence kicked off and recovered giving them a first down on Dummer's forty-five yard line. Here they were held and forced to give up the ball on downs. Hart who returned to the game after the half tossed a forward to Sawyer that gained twenty yards. Another to Temple was good for fifteen. Here a fumble recovered by Lawrence spoiled what seemed to be a scoring march. Lawrence now started toward the Dummer goal and were only stopped on the ten yard line. Two plays brought the ball out to the twenty yard line. Here Alenti, the Lawrence quarter back, was disqualified for slugging; and Dummer was awarded half the distance to the goal line. Putting the ball in play on the thirty-eight yard line, Webb and Sawyer took the ball to the twenty yard line and Wally Temple scored on an end run. Hart kicked the extra

point. In the last quarter the visitors attempted a field goal from the thirty yard line which was not even close, and that ended their threats. Bert Temple caught the kick and ran it out to the thirty-five yard line. Sawyer gained ten yards and Wally Temple reeled off thirty-five yards before he was brought down on the twenty five yard line. Sawyer made three and Temple made nine more. Here, however, Dummer was held and on the last attempt a pass went over the goal line. Lawrence was forced to punt from the twenty and Hart made a pretty twenty-five yard run back to the thirty-five yard line. This ended the game.

It was one of the most interesting games held on the Morse Field for some time, and of course the victory was doubly sweet coming as it did on top of such a string of defeats. For a game featured by so many long runs, it was peculiar that the score was so low. Both teams had fine defenses and with a little drive and punch developed on the Dummer offense they should give Sanborn a sound beating in the final game.

## LITTLE JUNIORS SHOW GREAT POWER

One of the best exhibitions of football was given on the Morse Field when the Dummer Juniors triumphed over the Junior team of DeWitt Clinton School 3 to 0. The Juniors were up against a team that outweighed them nearly twenty-five pounds to a man but played clean hard football and managed to get in position for a drop kick just before the half ended. The ball was never inside the thirty-yard lines save once when the home team scored. Robinson on the offense and Emery for his defensive playing and his kicking were the stars of the game. The Juniors have one of the best teams in years and much credit is due to Coach Norton Pickering. They have a fine set of plays of all varieties, play hard and well, and have the general polish to them that marks a good set of players under an able coach.

Emery got off several long punts which aided in the punting duel that took place. Near the end of the half Dummer made two first downs and had the ball well into DeWitt territory. Realizing that there was scarcely a minute to play Emery was called back and standing on his own thirty put over a dropkick in the face of a strong wind. During the next half neither team was even in field goal range, and the game ended with the little Juniors on top. This was certainly a case of skill winning over brawn, and they deserve all kinds of credit.

## JUNIOR SECONDS PUT WINNING TEAM ON FIELD

For the first time in several years the Junior squad has been large enough to have a second team. Coach Pickering has developed such a team this year and it played its first game on November 5th. The Dummer team cutweighed the Kelley 7th grade team slightly and ran up a 43 to 0 score. Dummer won the toss and began gaining ground directly. Capron and Whitehead scored first after a twenty yard run.

In the second half the Kelleys tightened up and began to give the Juniors some competition. E. Coltin being their outstanding player. But Charlie Chase at fullback proved an unexpected highlight and scored for the Juniors. Cutler and Haag played well at ta kle and end. Summary:

## Alumni Notes

1926

John Hinds spent the night at the school on his way to the Harvard-Princeton game, and he was also present at the football dance.

\* \* \* \*

1924

Trav Ingham was the third Yale runner to finish in the meet with Columbia in New York last week. Yale won the meet handily.

Andrew Valentine who is one of the scholastic leaders of the Junior class at Norwich visited the school on November 5.

\* \* \* \*

1923

Roger Sherman was quarterback for the third year on the Norwich University team which went through the most successful season in many years. They were defeated only by the Brown and Dartmouth elevens. "Ty" is also president of the Junior class.

Storer Humphries is another of the high ranking Dummer boys at Norwich.

Roland Smith is attending the University of New Hampshire.

\* \* \* \*

1922

Victor Sanborn is also going to the University of New Hampshire.

\* \* \* \*

1921

Nathan H. Andrews visited the school on November 21.

\* \* \* \*

1911

Charles Somerby is now settled in Palm Beach and can be reached in care of the "West Palm Beach Post."

\* \* \* \*

1848

William Aiken who came to Dummer in 1843 is reported to have passed away at his home in Lowell during the summer. He visited the school a few years ago when his son the Hon. Alfred L. Aiken, delivered the commencement address. At that time he was well past ninety but alert and very much alive for a man visiting the school he had attended eighty years before.
